

# 2018

## INNOVATORS

### COMMUNITY OF PRACTICE

A **Community of Practice** is a tool that allows people who share a common interest, concern or passion within an organization to improve their performance through regular interaction, shared learning and common practices.

We will be meeting monthly in 2018 to learn from experts, try new tools, and share our experiences with innovators across the city.

Stay posted on community activities via Innovatology on InSite.

**OPEN TO ALL STAFF**

**DATES & TOPICS**  
**12:00 – 1:30 PM**
